Women of Color Golf (WOCG), is a not-for profit 501c3 organization, founded in 2014 in Tampa, Florida. Since 2014, WOCG has trained more than 400 women and girls in the basic fundamentals of golf in the Tampa & St. Petersburg, Florida bay area and Washington, D.C.
The mission of WOCG is to promote and facilitate the inclusion of minority women and girls into the game of golf.

The mentoring program Girls on the Green Tee (GOTGT) is designed for girls ages 10 - 17, answering the ever present need for strong, accomplished, and resilient female role-models, WOCG & GOTGT seeks to create a spark of interest and inspiration in the game of golf.

This inspiration is then turned into action by connecting the women and girls to our golf community through golf lesson instruction, activities, events and partnerships with Hillsborough Community College Continuing Education, Golfer’s Grail and Tampa Sports Authority.
The Women of Color Golf (WOCG) and Girls on the Green Tee (GOTGT) programs have grown into a national recognized community program with recent recognition by Former President Barack Obama, as a U.S. White House Champion of Change for Extra Curricula Enrichment for Marginalized Girls, and the recipient of the 2017 - Tampa Bay Lightning Community Hero Award.
